Reason for permit request:

Permission to park on the street is limited to the frontage of the address listed above. The permit only exempts the vehicle from complying with the portion of the City Code prohibiting parking in residential areas from **10 p.m. to 6:00 a.m.** This permit does not exempt the vehicle from any other rules or regulations. The vehicle's owner is responsible for the removal of snow, left around the vehicle by the passage of the snowplow, to the side of the road. Failure to do so within 24 hours shall be grounds for revocation of the permit.

I have read and understand the conditions listed above.
